| Description | Attended settlement conference. It was the 4th time on and is adjourned till 10/1, which will be the FINAL conference. Our submitted loan mod package was missing items such as the hardship letter and pay stubs. We are to submit a complete and updated package along with available upfront funds (I'm assuming this means bank statements). This must be done by 9/24/09 and sent to both the bank and the attorney: McKabe's office - Attention Jason E. Brooks, fax: 914-636-8901. Apparently the fax number we have for the bank is incorrect also. Try calling 661-951-5722 or 661-951-5149 for the right fax number. |
